A woman with long, dark, wavy hair is wearing a beige baseball cap and a light-colored, possibly beige or cream, jacket. She is looking upwards and to the right with a thoughtful expression. The background is a large, green-tinted glass wall with a grid pattern, reflecting the sky and some foliage. The lighting is bright, suggesting a sunny day.

A person is seen from behind, wearing a white baseball cap with a circular logo that says "UFLEX" and a dark green or black long-sleeved shirt. They are holding a camera up to their eye, framing the scene. The background is a bright, hazy landscape with trees and a path, bathed in the warm light of a low sun, creating a strong lens flare effect.
